Jikiden Reiki *With Amanda Jayne*

Hi there,

You are receiving this information because you enquired about the Jikiden Reiki course I am holding in Lancashire in August 2010. Thank you for your enquiry. As you may know, this course consists of the first two levels in Jikiden Reiki, Shoden, the first level and Okuden, the second. You may take Shoden as a two day course, or both Shoden and Okuden as a 3 day course. Many people find that they want to continue on to take Okuden on the third day despite booking Shoden only. This is possible - but only when there are spaces in the class.

I studied this course and learnt how to teach it with Chiyoko and Tadao Yamaguchi for several years in Kyoto, Japan. The course is comprehensive, yet simple and learning how to look after yourself and others in this way can change your life. I have a strong trust in this wonderful energy and am now delighted to be able to share this incredible experience with you.

Course	Contents	Length	Price
Shoden	Parts 1 2 3	2 days	£195
Okuden	Parts 1 2	1 day	£230
